

WI9MRC / WI9SM 2023 Field Day and Club Picnic

This year the Milwaukee Repeater Club (MRC91) in partnership with the South Milwaukee Amateur Radio Club (SMARC) will be hosting ARRL Field Day Saturday, June 24th and 25th at the Whitnall Park Winter sports area at 6750 S 92nd St, Franklin, WI 53132

ARRL Field Day is the single most popular on-the-air event held annually in the US and Canada. On the fourth weekend of June of each year, thousands of radio amateurs gather with their clubs, groups, or simply with friends to operate from remote locations. Field Day is a picnic, a campout, practice for emergencies, an informal contest, and most of all, FUN!

It is an excellent opportunity to demonstrate Amateur Radio to the organizations that Amateur Radio might serve in an emergency, as well as the general public. For many clubs, ARRL Field Day is one of the highlights of our annual calendar.

Both Clubs will also be hosting a combined Club picnic on Saturday the 24th. You do not need to be a member to participate, Field Day is open to the public and participation is encouraged.
